Course Title: Infusing Color Throughout Kitchen & Bath Design

Course Number: AEC460 (KO-EN-46001-1112)

Course Description: Provides an overview of the use of color in kitchen and bath design and includes discussions on color basics, physiological response to color, socio-cultural color associations, the history of color in the kitchen and bath, and infusing color in kitchen and bath design.

Learning Objectives: Incorporate color into kitchen and bath design based on positive physiological response to color.

Use your knowledge of socio-cultural color associations to design living spaces for a diverse clientele.

Describe the evolution of color design in the kitchen and bath and how technology has contributed to color choices.

Specify educated choices in color selection based on traditional, contemporary and transitional ways to use color in the kitchen and bath.

Number of Course Hours Completed: 1 LUs

Course Trainer/Educator's Telephone #:

Instructor Bio: Diana Schrage is a senior interior designer for the Kohler Design Center, a mecca for the latest innovations in kitchen and bath design located in Kohler, Wis. In her role, Schrage provides design services to homeowners building or remodeling their homes. She also partners with nationally renowned designers to develop intriguing vignettes for the Design Center's mezzanine level of more than 20 bathroom and kitchen concepts. Schrage serves as an expert and quoted spokesperson of kitchen and bath design trends for Kohler Co. She routinely hosts seminars and speaking engagements for a wide range of businesses and organizations.
